Summer term 2012

Assignment 3

EXERCISE 1:

This is the description of the first task which consists of numbered subtasks

- a) This is the first subtask. In order to express task hierarchy the new line has to start with either a tab or whitespace
- b) This is the second numbered subtask

EXERCISE 2:

This is the second task which has itemized subtasks.

- When subtasks start with a dash they will be itemized and not numbered
- his is another itemized subtask
- The third itemized subtask is the last

EXERCISE 3:

This is the last task which does not have subtasks
